Attn: Sally Bacon

Dear Ms. Bacon:

Identification Number: C00420760  
Reference: April Quarterly Report (01/01/06 - 03/31/06)

The committee has filed an amended April Quarterly Report [FEC-223710] to reflect the missing information that the committee was able to obtain as of the filing date. The committee is still in the process of trying to obtain the additional missing contributor s information.

The committee has established the following best efforts procedures to obtain the information required by federal law.

The committee s solicitation for contribution includes a clear and conspicuous request for the contributor information and informs the contributor that it is a requirement of federal law. For those solicitation materials that have incomplete contributors information, the committee has sent a letter requesting the missing information. The letter is just a request to comply with federal law that their name, address, employer, or occupation information is provided.

The contributor is asked to fill out the information and either mail using the enclosed self-addressed envelope or fax it to the committee. As the committee receives the requested information it updates its contributor s database and at the next regularly scheduled reporting period an amended will be filed. A copy of a request letter is provided for your information.

In regards to the Schedule C, the loan made on March 31, 2006 was a personal loan from the candidate s personal funds which is due on demand with at 0% interest rate. As of the March 31, 2006, there were no payments made and was fully outstanding.

If you have any question or need additional information please call Iris at (808) 941 - 4811 or fax (808) 941-5035.

Yours truly,
